GAOC Use of Tobacco Products in School Buildings

The use of tobacco products in any form is prohibited in any school building, owned, leased or rented by the district, that is used for pupil attendance purposes.

Smoking is prohibited in other areas designated by the board. (*)

Approved: December 9, 1998

(*) The board designated specific areas as non-smoking—football bleachers, for example, then posts the areas and publicizes this in programs, through announcements, etc. It may be wise to designate a specific spot in the stadium as the smoking area.

JCDAA Tobacco Use (SEE GAOC) JCDAA

Smoking by students and/or possession and use of any other tobacco product is prohibited in any attendance center, at school-sponsored events or on the school grounds.

Administrators may report students who are in violation of this policy to the appropriate law enforcement agency.

Approved: December 8, 1993

Revised: December 10, 1997
